

Study Abroad with Georgia Tech (GT) – Shenzhen

2014-11

Shenzhen, China

- ❑ China's most livable city = Shenzhen
- ❑ Bordering Hong Kong; 1-hour ferry from Macau
- ❑ Population: 15 million; average age below 30
- ❑ Highest GDP per capita among medium & large Chinese cities
- ❑ 4th largest container port in the world
- ❑ Video: <http://youtu.be/u0mjOYoYOd8>

Shenzhen – A High Tech City

- Shenzhen has headquarters of
 - Huawei: largest telecommunications equipment maker in the world
 - ZTE: 5th largest telecommunications equipment maker in the world
 - Tencent: largest internet company in China
 - Mindray: largest medical equipment maker in China
 - BYD Auto: largest selling Chinese brand
 - ...

Location of the GT-Shenzhen Program: Shenzhen Virtual University Park (SZVUP)

GT-Shenzhen MS ECE Program

- GT MS ECE (Electrical & Computer Engineering)
 - Same degree / diploma / transcript as GT-Atlanta
 - 30 credit hours = 10 courses to complete
 - Textbooks, syllabi, teaching methodology identical to GT-Atlanta
 - All-English instructions
 - GT-Shenzhen students are GT students with GTID, GT email, GT web space, access to GT library online resources ...

- A small number of non-ECE courses are available as well, mostly in MATH & ISYE

International Student Body:
Our first group of students come from the USA, Indonesia, Taiwan, and Mainland China. Long term goal is to have 50% international students on the program.

International Student Body

Organized Program Activities

Organized Program Activities

Organized Program Activities

Day Trip to Macau

Biking around Shenzhen Bay

GT-Shenzhen Calendar

- Courses are taught in Shenzhen 3 semesters / year
 - Fall: mid August ~ early November (with one week off for Chinese National Day holiday)
 - Spring: early January ~ end of March (with one week off for Chinese New Year)
 - Summer: mid May ~ early August
- New students are accepted each semester
- Most suitable for graduate students and senior undergraduate students

Tuition & Fees

- Currently \$7,343 per semester, including
 - GT-Shenzhen Tuition
 - GT-Shenzhen Program Fee
 - GT Technology Fee
 - GT Special Institutional Fee

- Compare with GT-Atlanta tuition and fees of \$15,349 per semester
 - Approximately half price as compared to GT-Atlanta

Chinese Language Immersion

- Non-credit, Beginner Chinese classes offered to program participants
- Perfect Attendance Scholarships – the Beginner Chinese classes are free as long as you are committed to a perfect attendance record for the classes

Transient Students

- Degree seeking student at another US institution can apply to become transient student at GT-Shenzhen for one semester.
- Take GT classes and transfer course credits back to home institution.
- Student will receive degree from home institution.
- Transient arrangement restricted to US citizen and permanent resident students.

Transient Students

- ❑ Transient students enjoy the same benefits as GT students while studying aboard at GT-Shenzhen
- ❑ Same GT course transcript; issued from Atlanta
- ❑ Same low tuition & fees apply to transient students
- ❑ Travel the world without delaying progress towards the degree!
- ❑ Transient students are accepted any semester (fall, spring, summer) of the year. Need to apply at least 3 months before the start of the semester.
