## What it's about

- + Fictional case of *Pioneer v. ADU* to be tried before a jury of Purdue students, with a real federal judge and witnesses
- + IU Maurer School of Law students from Bloomington will argue the case
- + Purdue students will decide which side wins
- + Attend and help decide whether ADU infringed Pioneer's fuel cap patent

## Who should come

- + Anyone interested in technology, business, or innovation
- + Anyone who's curious about what trials are really like
- + Anyone in the Purdue community – all are welcome
