

ESTEEM Class of 2014

AMANDA MILLER

ALUMNI SPOTLIGHT

Amanda Miller graduated from Saint Mary's College with a B.S. in Biology and minors in chemistry and business prior to starting the ESTEEM program.

Educational Institution and Area of Study

Saint Mary's College, Biology

Current Position

Clinical Trial Coverage Analyst, Pharmaseek

"I loved ESTEEM because it allowed me to combine my interests of science and business, and it taught me valuable lessons like getting out of the building and *talking to your customers*.

The **small size** of the program was also great because *we formed a strong friendship as a class*, and have many happy memories of times spent together outside of the classroom."
