

SCHOOL OF ELECTRICAL AND COMPUTER ENGINEERING
REQUEST FOR DEPARTMENTAL PERMISSION TO ENROLL IN AN ECE COURSE(S)

*In an effort to manage the large volume of requests for space in ECE courses, it has become necessary for departmental permission to be obtained and for ECE to set priorities for admitting students into ECE courses. Please complete the following request with your academic advisor's signature and return the completed request to EE 136 for consideration. **You will receive the decision regarding your request by e-mail on or after the Thursday of the week during your time-ticket.***

Academic Term (eg. Fall 2016): _____

ECE _____

ECE _____

ECE _____

ECE _____

ECE _____

ECE _____

If your request is for an ECE 39595, 49595 or 59500 course, please provide the information below:

CRN _____ ECE _____ Course Title _____

CRN _____ ECE _____ Course Title _____

NAME (please print) _____ PUID _____
LAST First

Student Signature _____ Date _____

E-mail address _____@purdue.edu

Classification (please circle): First Year Sophomore Junior Senior Graduate Student

REASON FOR REQUEST

___ I plan to CODO into ECE (if planning on CODING into ECE, you must have an approved CODO Pre-Application on file with the ECE undergraduate office prior to approval of your course request)

___ I plan on receiving a minor in ECE (approved minor form must be on file with the ECE Undergraduate Office)

___ The requested course will satisfy a requirement for my major

___ I am currently a student in First year Engineering (FYE) and will NOT be completing FYE requirements this semester. Please circle below the professional school you plan to enter upon completion of FYE requirements.

AAE, ABE, BME, CE, CHE, ECE, IDE, IE, ME, MSE, NUCL

___ Other – please provide a brief explanation on back of form

Academic Advisor Signature _____ Date _____

Name (print) E-mail address _____@purdue.edu

Name (print)

E-mail address

Telephone Number

Once grades are posted at the conclusion of the current semester, any override previously granted for ECE courses may become void, and you may be required to drop ECE course(s).
