

GRADUATE STUDENT APPRECIATION WEEK

BECAUSE OF YOUR:

- Exceptional instruction and mentoring of more than 11,000 undergraduate students
- Advancements in groundbreaking research across more than 50 laboratories and research centers
- Novel, high-impact discoveries across 14 academic units

WE ARE:

- No. 4 graduate engineering program nationally for the third consecutive year
- No. 3 online master's engineering program in the U.S.
- Top 5 in the U.S. for patents for the third consecutive year
