

# Summer Research Experience and Extension for Undergraduate (REEU) Students

Florida International University's Agroecology Program is looking for 10 exceptional undergraduate students to participate in our USDA-NIFA funded Research and Extension Experiences for Undergraduates (REEU) Program.

## NOW ACCEPTING APPLICATIONS

Join a dynamic research team to develop your research skills toward future career and graduate school food, agriculture and resources sciences and studies.

### RESEARCH AREAS

This REEU program covers research and outreach activities relating to soil science, microbiology, climate control agriculture, horticulture, farm business & markets, Geographic Information Systems (GIS), and Remote Sensing. Professional development seminars, career development workshops, leadership skill training, and a poster presentation are also included.

**8-week Summer Program: June 5th to July 28th**  
**up to \$2,500 stipend + up to \$2,500 towards housing, food,**  
**and transportation expenses for out-of-town students**

### ELIGIBILITY

Applicant must be a current undergraduate student at a U.S. University with a GPA of 3.0 or above.

### HOW TO APPLY

Please send an application letter, curriculum vitae, and a copy of unofficial transcript to Kiara Taibi-Briz at [ktaibibr@fiu.edu](mailto:ktaibibr@fiu.edu). For full consideration, applications must be submitted by **March 31st, 2023**. We will start reviewing applications on **April 21st, 2023** and will accept applications until all positions are filled.

For more information, contact: [ktaibibr@fiu.edu](mailto:ktaibibr@fiu.edu); (305)-348-0186
