

HORIZONS STUDENT SUPPORT SERVICES

A TRIO PROGRAM

Horizons Student Support Services is a TRIO Program that supports undergraduate students that are **first-generation**, **income-eligible**, or have a **documented disability evidencing academic need**.

WHY CHOOSE HORIZONS?

Support

"My favorite thing about Horizons is how the **staff makes you feel like family**, and how I can come to them about anything academic, social, or personal."

- Adyson G., Interior Design, Spring 2023

Community

"I'm very comfortable and close to a lot of the students and staff. Everyone genuinely wants to hear how you are doing. **Horizons is truly my home away from home.**"

- Priscilla M., Anthropology, Fall 2021

Impact

"I'm involved in Horizons as a student leader. I have also been a Horizons peer mentor and went with them to study abroad in Cuba. I've made my **strongest personal and professional connections** with their help."

- Chelsea S., Dietetics/Nutrition Fitness & Health, Fall 2020
