

HAZARDOUS WASTE TSD FACILITY TOUR – Sponsored by INAWMA

DATE: OCTOBER 23RD

TIME: 12- 2 PM – FREE PIZZA, DRINKS, AND Q&A AFTER THE TOUR!

COME FIND OUT WHAT REALLY GOES ON AT A HAZARDOUS WASTE FACILITY AND LEARN THE COMPLEXITIES OF SUPPORTING A LARGE RESEARCH UNIVERSITY LIKE PURDUE!

Come NETWORK with like-minded environmental professionals and get a closeup look of the inner workings of the fully permitted Hazardous Waste Treatment, Storage, and Disposal Facility (TSDF) that the University operates! Involves a walking tour through the facility to get a real-time look at the personnel and the processing system that helps Purdue properly and effectively manage the large quantity of hazardous waste generated by the University, comply with all applicable environmental health and safety regulations, and protect human health. Limit of 20-25 students.
