SEEE Meeting

- SEEE meeting is Monday, March 6 in HAMP 2108 at 7 pm.

2017 EEE Town Hall*

- EEE Student Advisory Council (EEE SAC) will be hosting a town hall to answer any questions that you may have about EEE here at Purdue.
  - When: Wednesday, March 22 from 5:40pm-6:40pm
  - Where: GRIS 134
- Dr. Nies will moderate the event and current students will attend to answer questions.
- There will be FREE FOOD but please bring your own water bottle.
- You can ask your questions in advance by filling out the survey link here: https://goo.gl/forms/SQj4gvfihgFz8qfp1
- See attached flyer for details

Summer 2017 Registration

- Summer 2017 - Open Registration begins Monday, March 6.
- If you have questions about summer options, make an appointment with Tammi to reconfirm your plans.

Fall 2017 Registration Season for EEE- Time Tickets & Holds

- Undergraduate students who will be registering for Fall 2017 should have received instructions via email from Tammi Thayer on Thursday, Feb. 9 about EEE mentoring and advising steps. The subject was “EEE Registration: Fall 2017, Newsletter, Mentor. Read this entire message!”. Dig this out of your inbox to begin these important steps.
- Specific “time tickets” for Fall 2017 will go live March 6. Once live, find your time ticket via myPurdue > Registration tab > Registration Status. Until then, view the time ticket group dates (ie - priority, soph, junior, senior weeks of registration), as well as answers to general questions at https://www.purdue.edu/registrar/currentStudents/students/registrationFaq.html
- Check for Holds! Students are responsible for addressing all Holds that could delay their registration. There are several types of Holds. Find further instructions at https://www.purdue.edu/registrar/currentStudents/students/holds.html, including instructional aids/videos on how to remove:
  - Financial Obligation Hold
  - Emergency Contact Hold
  - NEW - GPI Experiences Survey Hold

Honors College Withdrawal

- Honors College students - No longer interested? No longer planning to pursue completion of the Honors program?
You must officially withdraw from the program to have the Honors block removed from your myPurduePlan (MPP) audit sheet. Having that extra block on your MPP slows the system down so it makes sense to get it removed!

To withdraw formally from the Honors College, please contact your Honors College Advisor via email to request an official withdrawal.

To find your assigned Honors College Advisor, look in myPurdue > Academics tab > Academic Profile > Advisors, or go to https://honors.purdue.edu/current-students/honors-advising/index.php

Regional Campus Visits for Summer 2017

- Representatives from the following campuses will be available at West Lafayette to assist with the 2017 summer session registration for those students who plan to attend their respective campuses this summer. Dates and times below are subject to change.
- Updates to this info will be placed on the EEE Registration Tools page, found at EEE -> Current Students -> Academic Resources -> EEE Registration Tools
  - Purdue Northwest: Thursday, March 9 - 10:00am to 5pm; East Foyer in Stewart Center
  - IPFW: TBD; contact direct.
  - IUPUI: Not participating; questions about IUPUI should contact Scott McIntyre at samcinty@iupui.edu.

EEE Travel Assistance Request Opportunity*

- Looking for a funding opportunity to assist with costs associated with your Study Abroad, Global Experience, Service-Learning Project, Conference, etc.?
- Students seeking monetary assistance for travel costs associated with studying abroad, presenting research or other educational activities should use the attached form to validate their need for such support. Applicants should have an initial discussion concerning the intended program with Tammi Thayer.
- Applications are due by 1pm on Wednesday, March 15 to Dr. Nina Robinson, EEE Administrative Director. Email submissions to nlrobins@purdue.edu.
- Application form is attached

International Student Peer Coaching: Small Groups*

- The ISPC team has normal office hours for all students to come in during weekdays, 9-11 AM and 2:30-4:30 PM in Wang Hall, 4th floor. But we would like to let all engineering students know that we will begin to offer small group peer coaching sessions! We aim to help international students especially, but all engineering students are welcome!
- ISPC has created a very short questionnaire, which will gather information about when students might be available, and what topics they might be interested in to discuss - https://goo.gl/forms/dRuQlIddvwja44jI3
- See attached flyer for more details

Poster Applications now available for UGrad Research and Poster Symposium

- Undergraduate students have until March 10 to apply to present a poster at the 2017 Undergraduate Research and Poster Symposium. The Undergraduate Research and Poster Symposium is organized by the Office of the Provost.
- The Undergraduate Research and Poster Symposium at 1 to 5 p.m. April 11 in PMU's North and South Ballrooms will showcase the research of undergraduate students and is open to the public. Participation in the Undergraduate Research and Poster Symposium earns recognition on the Purdue co-curricular transcript. Cash prizes will be awarded from each college/school participating, as well as Best Abstract and People's Choice categories.
- To apply or to learn more about the event, visit www.purdue.edu/research/Ugrad. The website also features a listing of available undergraduate research opportunities, resources and undergraduate student researcher profiles.

Paid STAR Ambassador Positions this Summer*

- Orientation Programs in the Office of Student Success is recruiting STAR Ambassadors. They are seeking well-informed and resourceful undergraduate students who are reliable, proactive and customer-oriented with a proven willingness to help new students.
- They are recruiting for part-time ($8/hr) and full-time ($9/hr) positions.
- The application can be found at www.purdue.edu/orientation & will remain open till midnight Sunday, March 19th
- See attached pamphlet for job description and additional details

Personal Statement: On a separate sheet in 500 words or less, describe the planned experience and how it will help you to grow as an individual and future professional, as well as any benefits to clients or community groups. Include relevant details on how funding could eliminate financial obstacles to your participation.

If the experience is not a course-based program (study abroad), answer each of the following in your statement.
1. Describe the project or area to be studied. What are the main questions of study?
2. Describe your learning objectives and goals? What do you hope to accomplish through the experience?
3. Describe how you will show you have met your learning objectives — what products, reports, or other deliverables will you produce to show that you have met the objectives?
4. Describe how your project relates to EEE, to material covered in other EEE courses, and/or to your professional goals.
5. If credit for a course will be given, state how you intend to use this credit toward EEE degree requirements.

STAR Ambassador 2017

Are you a proud Boilermaker, have great interpersonal skills and free time in the summer? Not sure what you want to do over summer? Apply to be a STAR Ambassador! Get paid for what you do best, interacting with people!

What is STAR?
Summer, Transition, Advising, and Registration (STAR) is a program by Student Success Programs for new undergraduate students to receive academic advice, register for initial courses and conduct other important business. Incoming students pick their one-day STAR session and come to campus to complete all formalities.

Who are STAR Ambassadors and what do they do?
- One of the first Boilermakers that the new students and families get to know
- Address questions and concerns throughout the day of STAR
- Assist with check in, registration and other minute-to-minute logistics during all STAR days
- Troubleshoot any problems that arise and seek assistance whenever required
- Aid in creating a welcoming experience for the new students and families through STAR.
- Have fun and gain a much rewarding experience

Qualifications:
- Undergraduate student at Purdue with a minimum 2.5 cumulative GPA at the time of application and during the entire STAR experience.  
  (NOTE: If you are selected to be an ambassador and you fail to maintain minimum 2.5 cumulative GPA at the end of the spring semester, you will unfortunately be dismissed as a STAR ambassador.)
- Able to and willing to promote Purdue and the Boilermaker experience — in a positive light.
- Well informed about resources on campus.
- Reliable, responsible, mature and have a proven willingness to help new students.
- Ability to take initiative and be proactive in their approach.

An ideal candidate would be someone who has the ability to positively promote the Boilermaker experience to new students and families from various backgrounds, is customer-service focused, is able to handle multiple tasks, demonstrate flexibility, can work in laborious and stressful situations and has creative problem solving skills.

Job Requirements, Duties & Specifics:
- Be available on campus from June 19th to July 14th 2017 in its entirety
- Be available for 1 required training – April 27th and 1 required kick-off training – June 18th
- Participate in any duties assigned during STAR (guiding people, moving material, student/guest support)
- Must be living in and around West Lafayette and provide own transportation

Full time / Part Time:
- You may choose to work Full Time (30+ hours a week (maximum of 40 hrs) of work @ $9 an hour) and MUST make STAR your sole responsibility over the summer. You CANNOT register for summer classes.
- You may choose to work Part time (at least 20 hours a week $8 an hour) and may take either morning or afternoon classes, but NOT BOTH.
- NOTE: If you have another on-campus job, you cannot work over 40 hrs a week combined. Also, if you are an international student and required to take courses during the summer then you cannot work for more than 20 hours a week. It is your responsibility to ensure you are within you work hour limits.
• Lunch will be provided at a dining court on campus during all STAR working days.

**Application Instructions:**

• Online Applications will **open** at www.purdue.edu/orientation on Thursday March 3rd at 12:00a.m. EST and will **close** on Sunday March 19th at 11:59p.m. EST.

• **Interview Process** – following the application process, you will be directed to a page where you may sign up for a 20 minute interview on either March 22nd OR March 23rd. These interviews will be reserved on a first come, first serve basis.

• **Selection** – Applicant will be notified the outcome of the selection process on Friday April 7th by 5p.m.

We hope you take advantage of this great opportunity!

Feel free to contact Shri Khadilkar (skhadilk@purdue.edu) or Jakelyn Spencer (spence59@purdue.edu) for any questions or concerns.
