- Pre-Professional Advising

EEE Registration Season

- Registration season for Spring 2017 begins soon! Spring 2017 Schedule of Classes & Time Tickets will go live in myPurdue on Monday, October 10.
- Students who will be registering for Spring 2017 should have received an info email from Tammi Thayer about EEE mentoring and advising steps. The subject was “EEE Registration: Spring 2017, Newsletter, Mentor”. Dig this out of your inbox to begin these important steps. (December 2016 graduation candidates were NOT included.)
- You may access the newsletter for ‘EEE Registration - Spring 2017’ by taking this path - EEE -> Current Students -> Useful Resources -> EEE Student Newsletter

Message from EEE SAC (Student Advisory Council)

- Hey there EEEs! Do you have questions, comments, or concerns? Help us help you, by letting us know your thoughts. We welcome appropriate, constructive criticism and any ideas you may have.
- Contact us at eeesacpurdue@gmail.com. We look forward to hearing from you!

File the 2017-2018 FAFSA Earlier!

- Students/families interested in receiving financial aid, including federal loans, at Purdue University for the 2017-18 academic year may complete the Free Application for Federal Student Aid (FAFSA) as early as October 1, 2016.
- File at www.fafsa.gov using Purdue’s school code: 001825. Maximum consideration is given to students who complete the FAFSA by Purdue’s priority filing date of March 1, 2017, and meet aid eligibility requirements.

Scholarship Opportunities Available!

- It is always scholarship season! If you are looking for scholarships for next semester or year, the EEE web page has a listing of private scholarships offered by organization outside of EEE or Purdue. There are a number of opportunities listed there currently and the page is continually updated with more information as it is shared with our office. Get in the habit of checking this page frequently.
- Follow this link for current listings: https://engineering.purdue.edu/EEE/Academics/FinancialAid/OutsideScholarship
- American Council of Engineering Companies of Indiana, Inc., (ACEC Indiana), is a professional trade association of Indiana’s premier consulting engineering firms in partnership with national ACEC.
  o In 2016, ACEC Indiana awarded $26,000 between six students. ACEC Indiana has set a precedent to give no less than $1,500 to each winning student and no less than $5,000 for the top applicant.
  o Deadline for submission for the next round of scholarships is Feb. 3, 2017. Find out more at: http://www.acecindiana.org/?page=Scholarship.

Student Scholarships Available for Chicago Wilderness Conference*

- Chicago Wilderness is a regional alliance of approximately 200 organizations that prioritizes strategies to preserve, restore and improve nature and the quality of life through collaboration and engagement.
The Congress will take place on **Wednesday, November 2, 2016** at the University of Illinois Chicago Forum. This all-day conference will have presentations about regional conservation issues from government, businesses, and nonprofit organizations across the region in various fields including conservation, agriculture, communications & engagement, environmental science, environmental engineering, sustainability, and restoration.

See attached flyer for more info

**Honors College Withdrawal**

- Honors College students - No longer interested?
- No longer planning to pursue completion of the Honors program?
- You must officially withdrawal from the program to have the Honors block removed from your myPurduePlan (MPP) audit sheet. Having that extra block on your MPP slows the system down so it makes sense to get it removed!
- To withdraw formally from the Honors College, please contact your Honors College Advisor via email to express your intentions.
- To find your assigned Honors College Advisor open this link: [https://honors.purdue.edu/current-students/honors-advising/index.php](https://honors.purdue.edu/current-students/honors-advising/index.php)

**Tech Sales Boot Camp**

- Dr. Scott Downey along with representatives and graduates from multiple companies will be presenting on how to use sales and marketing skills to get jobs.
  - When: **October 25**: 6-10pm
  - Where: Stewart Center 206
- See attached flyer for more info

**New Engineering Resources Webpage for International Students**

- A new College of Engineering webpage is now available for international engineering students. Within this page you will find useful information on Academic Success, Career Planning, Visa regulations, and Video resources.
- Link to webpage: [https://engineering.purdue.edu/Engr/InfoFor/InternationalStudents](https://engineering.purdue.edu/Engr/InfoFor/InternationalStudents)
- You may also link to this on the EEE webpage. Follow path - [https://engineering.purdue.edu/EEE](https://engineering.purdue.edu/EEE) -> Current Students -> Useful Resources -> CoE International Students Page

**International Student Peer Coaching for Engineering**

- The College of Engineering International Student Peer Coaching (ISPC) welcomes walk-ins during:
  - Monday-Thursday 9-11 am in WANG HALL 4500
  - Monday-Friday 2:30-4:30 pm in WANG HALL 4500
- See attached flyer for more information or email [ispc@purdue.edu](mailto:ispc@purdue.edu)

**Pre-professional Advising**

Planning on pursuing professional education such as law or healthcare? Check out Purdue Pre-Professional Advising to get versatile assistance from choosing a specific profession to applying to professional programs!
• Learn more at http://www.purdue.edu/preprofessional/
This year's theme, "Celebrating 20 Years: One Home. One Future." recognizes the 20th anniversary of Chicago Wilderness. Here's what is in store:

- **Opportunities to connect with a cross-disciplinary group** of business professionals, conservationists, sustainability experts, funders, students, and more.

- **Robust panel discussions** organized in three new tracks: *Epic Fails and Triumphant Results*, *Step Out of Your Silo*, and *Show Me the Money*.

- **An inspiring program** including an opening performance, speed mentoring, afternoon film festival, focus area crawl, reception and species story slam!

**Date:** November 2nd, 2016  
**Time:** 8:00 A.M.–6:30 P.M.  
**Location:**  
University of Illinois Chicago Forum  
725 W Roosevelt Rd, Chicago, IL 60608

**Register For Congress**  
Deadline: October 24th, 2016

INTERNATIONAL STUDENT PEER COACHING

The International Student Peer Coaching Program (ISPC) is a team of engineering students with the desire to coach students with their transition into Purdue University. Our goal is to mentor engineering students to find a balance between personal, academic life and to develop the skills necessary to succeed in the professional world. All coaches are trained by the undergraduate education team in the College of Engineering.

Peer to peer coaching on:
- Time management
- Navigating classes
- Study skills
- Developing professional skills
- Balancing personal and academic life
- Adjusting to life in the U.S.
