	Total	15		Total	15

¹Written Communication University foundational outcome. Courses can be found at:

<http://www.purdue.edu/provost/students/s-initiatives/curriculum/courses.html>

²Oral Communication University foundational outcome. Courses can be found at:

<http://www.purdue.edu/provost/students/s-initiatives/curriculum/courses.html>

³Area classes are chosen based on a student's educational objectives. The area classes for this concentration guideline are used to complete the requirements to take the MCATs and attend medical school. Courses to be completed include but are not limited to:

- 2 semesters General Biology with labs
- 2 semesters General Chemistry with labs
- 2 semesters Organic Chemistry with labs
- 2 semesters Physics with labs
- 2 semesters English Composition
- 1 semester Biochemistry (no lab needed)
- Anatomy and Physiology — not required but highly recommended for MCAT
- 1 semester General Psychology
- 1 semester Sociology
- Statistics (recommended)

Source: <https://www.purdue.edu/preprofessional/Documents/Medicine.pdf>

⁴Engineering electives are chosen based on a student's educational objectives. For this plan of study, 30 total credits of engineering classes 20000+ level are required with at least 15 of those 30 credits at 30000+ level.

⁵Sophomore science selective. Other options include PHYS 27200 or BIOL 11000, 20300, 22100, 23000, 23100 or CHM 11600, 25500, 25700, 26100, 32100 or EAPS 10400, 10500, 10900, 11100, 11200, 11300, 11600, 11700, 12000, 13800, 17100 (May not be the same course used as FYE Science Selective.)

⁶other option MA 26500 + MA 26600

⁷Humanities University foundational outcome. Courses can be found at:

<http://www.purdue.edu/provost/students/s-initiatives/curriculum/courses.html>

⁸General education courses can be taken from the College of Liberal Arts, the Krannert School of Management, and/or the Honors College, etc. provided such courses are not focused primarily on engineering, technology, the natural sciences, or mathematics. Consult with academic advisor for acceptable general education courses.

⁹Behavioral/Social Sciences University foundational outcome. Courses can be found at:

<http://www.purdue.edu/provost/students/s-initiatives/curriculum/courses.html>

¹⁰other options include IE 23000, IE 33000, STAT 35000, STAT 51100

¹¹option must be approved, consult with academic advisor. Some examples are: ABE 33000, ABE 43500, AAE 25100, CE 31100, CE 45600, CE 47000, ECE 27000, EPCS 30000+ level, IDE 38500, IE 38600, ME 26300(CODO from ME only), ME 35200, ME 41300, ME 44400

¹²Science Technology and Society University foundational outcome. Courses can be found at: <http://www.purdue.edu/provost/students/s-initiatives/curriculum/courses.html> If EPCS is used to satisfy this outcome, 3 credits of EPCS must be taken.

¹³other option ECON 25100 + ECON 25200

Additional Requirements:

A course listed on the Concentration Guideline *is not a guarantee that the course will be accessible/made available to a student*. Lack of availability could be due to any number of circumstances beyond the control of either student or program.

Engineering credits: A minimum 30 credits at 20000+ level, of which at least 15 credits are at 30000+ level. Maximum number of credits in any one engineering discipline is 24. It is the student's responsibility to see that all prerequisites are met for selected courses.

Math + Basic Science + Engineering credits: A minimum of 44 credits of MBSE credits (that do not already fulfill FYE requirements) are required. The credits for Calculus I, Calculus II, PHYS 172, and the FYE Science selective are NOT used towards the 44 credit total. Engineering credits must be at 200+ level. Some examples of Basic Science include MA, BIOL, CHM, PHYS, EAPS and SLHS.

32 credits at 30000+ level (any courses) must be taken at Purdue West Lafayette.
