What is a Popplet?

Popplet.com is an online site where students and teachers can easily and effectively create concept maps without cost. This site is a wonderful place for students to create their own Functional Decomposition chart which can be shared and downloaded, sent as an e-mail or shared on social media as an artifact for their Service-Learning project.

Creating an Account:

- Open your web browser.
- Go to www.popplet.com
- In the top right corner, click **› try it out**
- Once you are in the site you can **sign up!** by clicking the pink button.
Type in your information (name, e-mail, password) and agree to the Terms of Service and Privacy Policy.

- You are now ready to use Popplet!
  Note: Next time you visit www.popplet.com, you will click "Log In"

1

Creating a Popplet:

- Log in to your Popplet account.   **log In**

- On the left side of the page, click "Make New Popplet."   **make new popplet**

- A "Make a New Popplet" box will appear.

make a new popplet
(you have 5 popplets left.)

name your popplet   pick a color

[make it so!]   [cancel]

[Get More Popplets!]   The Popplet Plan gives you
                          unlimited Popplets.

Want Popplet for your school or business? Contact us at sales@popplet.com!

Create a name for you Popplet by typing
    it in the box.
Select a color for your Popplet.
    This will be the background color of your
    concept map.
Click "Make It So" to create your
    new Popplet.

Note: Here is the only problem with this
program…With the free version you only get 6
Popplets.

- Your Popplet will now appear on the screen.

- Double click anywhere on the screen to create
  your first popple (Popplet's word for bubble.)

- Click on the popple.

- Type in your text.
- To add another popple, select one of the
  four gray circles surrounding the popple.
  If you want to add a new popple above
  the original popple, select the top gray circle.

- Type in the new popple.

- Continue until you have added all of your
  information.

Customizing Popplets:

- Once you have created a popple, you can customize
    it in a variety of ways.
- To change the color of the popple,
    click on the specific popple.
    a. On the bottom left of the popple,
       an icon that looks like a popple will appear.

jean
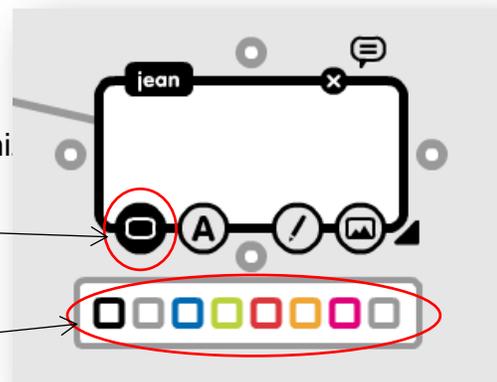

b. Click this icon.

c. Select a color.

- To change the text in your popple, click on the specific popple.

a. Select the icon that is second from the left. It has "A" on it.

b. To change the size of the text, click one of the "A" icons on the left. The smaller the "A" in the icon, the smaller your font will become.

c. To change the alignment of the text in your popple, select one of the icons to the right. The picture in the icon corresponds to the alignment (left, middle, or right).
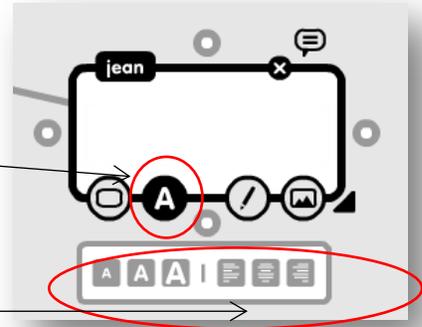

- To upload an image or video, click on the specific popple.

a. Select the icon that is on the far right. It has a picture of a mountain on it.

b. Choose the source you wish to upload your image of video from (Flickr, Facebook, Youtube, or your computer).

c. Browse for the image or video.

d. Select the image.

e. Click "Open" or "Add to Popple" (depending on your source).
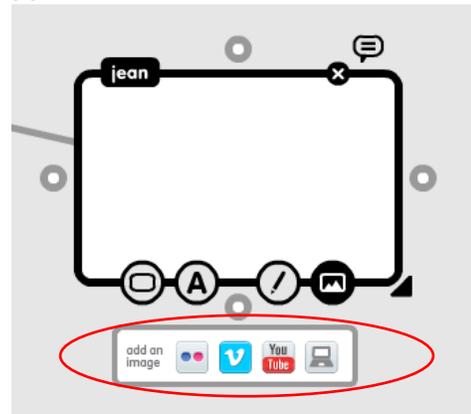

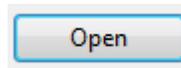

Adding Collaborators:

- Pick the Popplet in which you want to add collaborators.
- In the top right corner, click on   share
- Select "Add Collaborator."
- Type in the name or e-mail address of the person with whom you wish to share your Popplet.
- Select his/her name.
- Click   add them!

Sharing a Popplet:

- Pick the Popplet in which you wish to share.
- In the top right corner, click **share**
- Select any of the icons in the four white
    boxes below "Share."
  All of the icons take you to the same window.
- If you want to share it on Facebook,
    click the Facebook button.
  a. When your Facebook appears,
    select "Share Link."
- If you want to share it on Twitter,
    click the Twitter button.
  a. When your Twitter appears,
    select "Tweet."
- If you want to e-mail your Popplet, type in the e-mail addresses in the box "e mail friends."
  a. Click "e-mail" when you are done.

- If you want the link to your Popplet, copy the link from the box "Copy and Paste link."
  a. Paste the link wherever you want to share it.

- If you want to embed your Popplet, copy the embed code from the box "Embed it."
  a. Paste the embed code wherever you wish.
