SPORTS ENGINEERING AND ENTREPRENEURSHIP IN INDIANA

**Sports
Tech HQ**

JEFF HINTZ

**EXECUTIVE DIRECTOR,
SPORTSTECH HQ**

SportsTech HQ was established in 2022 to develop a sports technology ecosystem in Indiana. Already home to numerous professional sports organizations, host of countless major sporting events, and supporting a technology driven economy, Indiana has the building blocks for sports engineering and technology success. Hear about the entrepreneurial strategy, current state and future plans of this exciting initiative from SportsTech HQ Executive Director Jeff Hintz.
