

GoldEnMinds Re-Charge Station

Join us as we design the Future of Engineering Learning with AI

Engineering faculty and staff are invited to a Lunch & Learn roundtable featuring peer-led discussions on AI in Engineering. Join us for lunch, conversation, and hands-on demonstrations designed to support professional development.

OCTOBER 20, 11:30 AM-12:30 PM, WANG 1004

Future of Engineering Learning with AI

EUGENIO CULURCIELLO

Co-Lead, AI Initiative | Professor of Biomedical Engineering

SENAY PURZER

Co-Lead, AI Initiative | Professor of Engineering Education

NOVEMBER 12, 12:30-1:30 PM, WANG 1004

From Pipettes to Paragraphs: Integrating AI Feedback in the ABE Teaching Lab

ABIGAIL ENGELBERTH

Associate Professor, Agricultural & Biological Engineering

DECEMBER 2, 12:30-1:30 PM, WANG 1004

How to Create a Course Chatbot in 50 minutes?

ADARSH AGRAWAL

Lab Coordinator/Instruction Specialist, School of Aeronautics and Astronautics

College of Engineering
