ARUN GUPTA

VENTURE CAPITALIST, CEO AND AUTHOR

Arun Gupta is a venture capitalist, co-author of "The Mission Generation," the national bestseller "Venture Meets Mission" and CEO of NobleReach Foundation, where he works to rekindle a spirit of national service through innovation and entrepreneurship. After more than two decades investing in companies at the intersection of technology and national security, he enjoys working with entrepreneurs building for impact and teaching the next generation how to do the same.
