

**COLLEGE OF ENGINEERING
FACULTY POSITIONS IN THE DAVIDSON SCHOOL OF CHEMICAL ENGINEERING**

The Charles D. Davidson School of Chemical Engineering, Purdue University, seeks outstanding individuals to apply for three tenure-track faculty positions at the Assistant, Associate, or Full Professor rank. The desired expertise for these positions are in separations, process systems, and data science/analytics, but outstanding candidates in all areas will be considered. Candidates must hold a Ph.D. or equivalent doctoral level degree in Chemical Engineering or closely related field. Candidates should have a distinguished academic record, outstanding potential to conduct world-class research, as well as potential to educate and mentor students. The successful candidates will conduct original research, advise graduate students, teach undergraduate and graduate level courses, and perform service both at the School and University levels. Candidates with experience working with diverse groups of students, faculty, and staff and the ability to contribute to an inclusive climate are particularly encouraged to apply.

The Charles D. Davidson School of Chemical Engineering has experienced significant growth in recent years including the 2017 launch of CISTAR, an NSF Engineering Research Center. For a detailed description of research activities see <https://engineering.purdue.edu/ChE/Research>

Purdue University's College of Engineering is committed to advancing diversity in all areas of faculty effort, including scholarship, instruction, and engagement. Candidates should address at least one of these areas in their cover letter and indicate their experience, current interests or activities, and/or future goals to promote a climate that values diversity and inclusion.

Submit applications online at <https://engineering.purdue.edu/Engr/AboutUS/Employment/Applications>, including curriculum vitae, teaching and research plans, and names and contact information of four references. For information/questions regarding applications, contact the Office of Academic Affairs, College of Engineering, at coeacademicaffairs@purdue.edu. Review of applications will begin on **October 1, 2018** and will continue until the positions are filled. Nominations may be sent to Dr. Jeffrey Greeley, Chair of the Faculty Search Committee, at che-faculty-search@ecn.purdue.edu. A background check will be required for employment in this position.

Purdue's main campus is located in West Lafayette Indiana, a welcoming and diverse community with a wide variety of cultural activities, events, and industries. Purdue and the College of Engineering have a [Concierge Program](#) that provides dual career assistance and relocation services.

Purdue University is an EOE/AA employer. All individuals, including minorities, women, individuals with disabilities, and veterans are encouraged to apply.
