Abstract submission HOWTO

Step 1:

Log in/create account on conftool: https://www.conftool.com/2016Purdue

Step 2.1:

Go to the abstract submission site (click on “Your Submissions”)

Step 2.2:

Go to the abstract submission site (click on “Abstracts”); Note that the abstract length should be 200-500 words.
Step 3:

Fill out all required fields in the submission form; only sections with an asterisk* are required!

Step 4:

Click on proceed at the bottom of the page; confirm/check the information.

You should receive a confirmation email if the abstract was submitted correctly.

You can also check your submissions here: https://www.conftool.com/2016Purdue
