The Statement of Purpose is an all-inclusive, academic statement that supports your suitability and interest in applying for the combined BSIE/MSIE program. In 200-300 words, briefly describe your research and/or professional interests, professional plans, career goals, and the benefits you expect from joining this program. You also may explain any special circumstances applicable to your background and elaborate on your extracurricular activities, leadership positions, and work experiences.

NOTE: This statement of purpose and template are internal to IE, and intended as a guide. If you are admitted to the BSIE/MSIE program, a more formal statement of purpose will be needed for your application. You can find that here: <https://www.purdue.edu/academics/ogsps/admissions/how-to-apply/>.
