Summer Science Camp

Sampler Science
Children entering 2nd-5th Grade
Date: June 17-21
Sampler Science is perfect for your child who is interested in everything camp has to offer. Use this week as a way to learn about all areas of science. Blast into space, learn about cool chemical reactions, travel to exotic destinations to learn about animals, and even learn how to solve a crime!

Little Samplers
Children entering K-1st Grade
Dates: June 24-28
Little Samplers is perfect for your little one who is interested in everything camp has to offer. Use this week as a way to learn about all areas of science. Blast into space, learn about cool chemical reactions, travel to exotic destinations to learn about animals and their homes, and even learn how to solve a crime!

Mad Science!
Children entering 2nd-5th Grade
Date: July 8-12
Science is all around us, but what is the best part about science? Watching and doing it for yourself! Put on some safety goggles and see what happens when we mix different substances together. Use your knowledge to make conclusions about different mystery powders. This camp is for the young, curious scientist looking for explosive fun!

Messy Science
Children entering K-1st Grade
Dates: July 15-19
Science is all around us, but the best part is getting messy with science! Put on some safety goggles and learn about different solids, liquids and gases. Guess what will happen when we mix different substances and even watch things blow up! This camp is for the young, curious scientist looking for explosive fun!

The Force Academy
Children entering 2nd-5th Grade
Dates: July 22-26
Why a camp about Star Wars? Why not?! We love light sabers, Yoda and the Force just as much as you do! We are going to focus on the REAL Star Wars – SPACE! And, yes, we’ll mix some light saber lessons in there, too. Learn about rockets, space food and robots! Could the world of Luke Skywalker be real? Find out by coming to The Force Academy!

Junior Explorers
Children entering 2nd-5th Grade
Date: July 29-August 2
This camp is for all children who are adventurous at heart. Want to learn about beautiful birds and exotic animals that live in the rainforest? How about the polar bears and penguins that love the cold? Learn about several different ecosystems and the insects, birds, and mammals that call them home. We are going to dive into the ocean, trek through the jungle, explore the desert and discover many different lands.

CSI: Camp Science Investigators
Children entering 2nd-5th Grade
Date: August 5-9
Do you like shows about detectives and enjoy solving mysteries? Hunt for clues and crack the case of a different investigation each day! Find out who-dun-it with clues spread throughout the museum! Learn about fingerprints, DNA and more during this mysterious week.

Summer Science Camp 2013

- The Terre Haute Children’s Museum Summer Science Camp are for children entering K-1st Grade and children entering 2nd-5th Grade. Each camp is designed with activities and games for the specific age groups.
- Each camp is Monday through Friday from 8AM-12PM. Drop-off will not begin until 7:50AM, and pick-up happens promptly at 12:00PM. A late fee of $1 per minute will be applied for children picked up after 12:05PM.
- Parents or caregivers must be present during drop-off and pick-up. You must sign your child in and out each day at the Field Trip Entrance in the rear of the building.
- The camp experience is priceless, however, supplies and staff are needed to make each week a quality experience. Each week costs $100 (members) and $110 (non-members). Looking for a discount? Send us a copy of your child’s most recent (does not need to be final) report card. Children will receive $2 off total cost for every A, B, or O they earn (Up to 5 per child). Example: 2 A’s and 3 B’s equal $10 off total cost of camp(s).
- Summer Science Camp is an interactive and fun experience designed to give children a better understanding of different areas of science. Children will explore science through hands-on experiments and demonstrations. All of the activities are supervised by experienced staff and are created with fun and interactive education in mind!

DISCLAIMER: Neither this material nor these activities are sponsored, promoted, or endorsed by the Vigo County School Corporation. With the posting and/or distribution of this material, the sponsoring organization/individual agrees that the Vigo County School Corporation, as well as its individual school board members, administrators, teachers and other employees, will be held harmless by the sponsoring organization for any liability, cost, damage, and attorney fees that result directly or indirectly from the material contained in the distributed literature and from the programs conducted by the sponsoring organization.
