

TO: The Engineering Faculty
FROM: The Faculty of the Lyles School of Civil Engineering
RE: Requisite Changes to CE 53000: Properties and Production of Concrete

The Faculty of the Lyles School of Civil Engineering has approved the following requisite changes to a graduate course. This action is now submitted to the Engineering Faculty with a recommendation for approval.

Requisite Change for CE 53000: Properties and Production of Concrete

FROM:

CE 53000: Property and Production of Concrete

Prerequisites CE 33100 and CE 33300

TO:

CE 53000: Property and Production of Concrete

Prerequisite of CE 33500

RATIONALE:

CE 33100 is no longer being taught. The required course is now CE 33500: Civil Engineering Materials. CE 33300 is a regional course number that is no longer relevant.

Head/Director of the Lyle School of Civil Engineering
