TO: The Engineering Faculty
FROM: The Faculty of the Agricultural and Biological Engineering
RE: Requisite Changes to ABE 50100 Welding Engineering

The Faculty of the Agricultural and Biological Engineering has approved the following requisite changes to an undergraduate course. This action is now submitted to the Engineering Faculty with a recommendation for approval.

Course Description Change

Underline the changes to be made.

FROM:

Current Pre-requisites: course or Test: ABE 45000 Minimum Grade of D- [May not be taken concurrently] **or** Student Attribute: GR

TO:

Proposed Pre-requisites: None, but course restrictions will limit enrollment to graduate students and seniors in the following programs: Agricultural Engineering and Mechanical Engineering.

RATIONALE:

Pre-requisite was required by former instructor. New instructor does not require ABE 45000 for enrollment. All requests for pre-req overrides by seniors in designated programs in the last couple of years have been approved.

Head/Director of the Agricultural and Biological Engineering
