

**TO:** The Faculty of the College of Engineering  
**FROM:** The Faculty of the School of Mechanical Engineering  
**RE:** Expiration of Old MSPE Courses

The Faculty of the School of Mechanical Engineering has approved the following change. This action is now submitted to the Engineering Faculty with a recommendation for approval.

Expire the following MSPE Courses

MSPE 27200 Introduction to Motorsports  
MSPE 29700 Computer Modeling for Motorsports (1 credit hour)  
MSPE 29900 Motorsports Engineering Directed Study  
MSPE 41000 Motorsports Internship  
MSPE 41800 Advanced Motorsports Practice

**Reason:** MSPE 29700, 29000, 41800 have not been offered to students for over five years and there is no intent to offer these courses in the future. MSPE 272 and 41000 are not included in the new MSPE Plan of Study. There is no intent to offer these courses in the future as other courses exist as replacements.
