

TO: The Engineering Faculty

FROM: The Faculty of the Lyles School of Civil Engineering

RE: Requisite Changes to CE 61500: Statistical and Econometric Methods II

The Faculty of the Lyles School of Civil Engineering has approved the following requisite changes to a graduate course. This action is now submitted to the Engineering Faculty with a recommendation for approval.

Expiration of CE 61500: Statistical and Econometric Methods II

RATIONALE:

After having not been taught since spring 2016, the transportation faculty decided to expire the course, at the request of the Registrar's office

Head/Director of the Lyle School of Civil Engineering
