RE: Deletion of IDE 29100 – Industrial Practice I

The faculty of the School of Engineering Education have approved the deletion of the following course. This action is now submitted to the Engineering Faculty with a recommendation for approval.

IDE 29100 – Industrial Practice I

- Sem. 1, 2 or SS. Cr. 0
- Practice in industry and comprehensive written reports of this practice. Must be accepted for the program by the Cooperative Education Program Coordinator.

REASON: To maintain consistent course numbers and titles for Professional Practice courses throughout all disciplines participating in the Professional Practice Programs, IDE 29199 is already in place. This course is not to be used for future registrations.
