RE: Course Deletions

The Faculty of the School of Mechanical Engineering has approved deleting the following courses, effective Spring Semester 2001. This action is now submitted to the Engineering Faculty with a recommendation for approval.

ME 481 Introduction to Numerical Methods in Mechanical Engineering

ME 490 Directed Reading in Mechanical Engineering

ME 493 The Creative Process in Engineering

ME 495 Special-Topic Minicourses

ME 527 Solar Energy Systems

Reason: The faculty are no longer offering these courses. This action is being taken so that the Engineering Catalog will contain an accurate listing of courses actually offered.
