Re: Fast track EFD 15-19

---

Course: EEE 48000 Environmental And Ecological Engineering Senior Design

Reason: We want to remove all prerequisites from this course. We will retain the requirement for departmental approval. This will result in one-touch entry into the course. Last spring we submitted the same request (EFD 80-18) but when the information was entered into Curriculog the class restriction was not removed.
