RE: Update coursework for Hybrid Vehicle Systems Certificate

The update of coursework options for the Hybrid Vehicle Systems Certificate is being requested to replace courses no longer offered or update existing course options with correct number or title:

ABE69100M/ME69700M Hydraulic Power Trains & Hybrid Systems is no longer offered and is requested to be replaced with ABE59100/ME53500 Design of Fluid Power Systems

ECE59500 Hybrid Electric Vehicles updated with permanent course number of ECE51018 Hybrid Electric Vehicles

MSE59700 Design and simulation of rechargeable batteries updated with current title of MSE59700 Rechargeable batteries

ABE59100M/ME59700M Design and modeling of fluid power systems is no longer offered and is requested to be replaced with ABE69100/ME69700 Hydraulic Components and Modeling

This action is now submitted to the Engineering Faculty with a recommendation for approval.

Description: ME is requesting to update coursework options for the Hybrid Vehicle Systems Certificate.

Reason: Courses no longer offered need replaced, and existing course numbers/titles need updated.
