RE: ME 49900 Research in Mechanical Engineering II – Addition of Indianapolis Campus

The Faculty of the School of Mechanical Engineering has approved the following change in ME 49900. This action is now submitted to the Engineering Faculty with a recommendation for approval.

Change: ME 49900: Research in Mechanical Engineering II is currently offered exclusively on the West Lafayette campus. The School of Mechanical Engineering proposes to extend this course offering to the Indianapolis campus to provide students with equivalent research opportunities across both locations.
