

**TO:** The Engineering Faculty

**FROM:** The Faculty of the School of Mechanical Engineering

**DATE:** August 23, 2000

**RE:** ME 352 Course Description Changes

The Faculty of the School of Mechanical Engineering has approved the following change in prerequisites effective Spring Semester 2001. This action is now submitted to the Engineering Faculty with a recommendation for approval.

**FROM:**

**ME 352: Machine Design I.** Sem. 1, 2, and SS. Class 3, Lab. 3, Credit 4. Prerequisites: ME 263 and 274, CE 273; corequisite: MSE 230.

**TO:**

**ME 352: Machine Design I.** Sem. 1, 2, and SS. Class 3, Lab. 3, Credit 4. Prerequisites: ME 263 and 274, ME 323; corequisite: MSE 230.

**REASON:** The prerequisite of CE 273 has been replaced by ME 323 in the ME program. This needs to be reflected in the Undergraduate Catalog. This change was accidentally overlooked in the last catalog revision.

  
E.D. Hirleman, Head  
School of Mechanical Engineering
