February 3, 2009

To: The Faculty of the College of Engineering
From: Division of Construction Engineering and Management (CEM)
Subject: New Course CEM 49700

The Faculty of the Division of Construction Engineering and Management (CEM) has approved the following new course to offer independent study projects and/or temporary courses to undergraduate students. This action is now submitted to the Engineering Faculty with recommendation for approval.

CEM 49700 Construction Engineering Projects
Sem. 1, 2 SS. Cr.0-6.

Course Description: Topics vary. Arrange Hours and Credit. Permission of Instructor required.

Reason: The Division of Construction Engineering and Management will be offering projects and courses to Purdue undergraduate students. The goal is to provide undergraduate students the opportunity to explore construction engineering topics.
