RE: ME 463 Course Description Changes

The Faculty of the School of Mechanical Engineering has approved the following changes in prerequisites effective Spring Semester 2001. This action is now submitted to the Engineering Faculty with a recommendation for approval.

FROM:

ME 463 Engineering Design Sem. 1 and 2. SS. Class 3, Credit 3. Prerequisites: ME 315, 352, 365, and 375.

TO:

ME 463 Engineering Design Sem. 1 and 2. SS. Class 3, Credit 3. Prerequisites: ME 315, 352, and 375.

REASON: The prerequisite ME 365 is not needed for ME 463 since ME 365 is a prerequisite of ME 375 and ME 375 is also a prerequisite of ME 463.

E.D. Hirleman, Head
School of Mechanical Engineering
