RE: Requisite Changes to 4 MSPE graduate courses

The Faculty of the School of Mechanical Engineering has approved the following requisite changes to four a graduate courses. This action is now submitted to the Engineering Faculty with a recommendation for approval.

Expiration of MPE 59700 Selected Topics in Motorsports Engineering

Expiration of MSPE 59800 Motorsports Engineering Projects

Expiration of MSPE 59900 Motorsports Advanced Internship

Expiration of MSPE 69800 Research MS Thesis

RATIONALE:

These courses were converted from the IUPUI MSTE prefix with the IUPUI transition, but ME will not offer a MSPE degree program and will be releasing our coursework under the ME prefix. We currently have ME course numbers already in place for all the above and need to expire the MSPE numbers which have never been used and will not be used in the future.
