

To: The College of Engineering Faculty
From: The Office of Graduate and Undergraduate Education
RE: ENGR 59600

The office of Graduate and Undergraduate Education has approved the following new ENGR course. This action is submitted to the Engineering Faculty with a recommendation for approval.

ENGR 59600 – Experimental Course

Sem. 1, 2, S; Class: Variable title, variable credit 0-6; Pre/Co-requisites: Will vary and will be prescribed at the time of the offering.

Course Description

Experimental classes offered at the graduate level on a temporary basis to test the viability of offering the course on a permanent basis.

Reason

The intent of the course is provide a mechanism for experimental, cross-disciplinary, and cross-listed courses to be taught at the graduate level. Courses will be vetted and monitored by the ENGR curriculum committee.

Eckhard A. Gfoll
Associate Dean for Graduate and Undergraduate Education
