To: The Engineering Faculty
From: School of Electrical and Computer Engineering
Re: ECE 47001

The School of Electrical and Computer Engineering has approved the following new course. This action is now submitted to the Engineering Faculty with a recommendation for approval.

ECE 47001 Part-Time Curricular Practical Training
Semesters offered: Fall, Spring, Summer
Repeatable
Credit 0

Pre/Co-requisites: None

Course Description

A part-time electrical and/or computer engineering work experience. This internship experience is intended to complement the student's academic plan of study and help prepare him/her for his/her future role as a practicing engineer.

Reason

The course has previously ran as a temporary occurrence of ECE 49600 and needs to be moved to a permanent number. It also serves as a part-time version of the already existing full-time ECE 47000 CPT course.

History of Previous Offering

This course has ran for over 10 years as a temporary section of ECE 49600.

Michael R. Melloch, Associate Department Head of ECE
