

Memorandum

To: The Faculty of the College of Engineering

From: Environmental and Ecological Engineering

Date: November 18, 2022

RE: Fast track EFD 52-23, EEE 39000, Environmental And Ecological Engineering Professional Practice Seminar

Add prerequisites, major restriction, and add semester offered for EEE 39000

Reason: We want to add prerequisites for EEE 39000. Prerequisite is EEE 29001 Minimum Grade of D-.

Also, restrict it to EEE majors. Add option to offer in Sem 1.

A handwritten signature in black ink that reads "John W. Sutherland".

John W. Sutherland, Ph.D.
Professor and Fehsenfeld Family Head
