

College of Engineering

Engineering Faculty Document No.:
60-26
October 22, 2025

TO: The Engineering Faculty
FROM: The Faculty of the Edwardson School of Industrial Engineering
RE: Adding Courses to PIN

Pursuant to adding the 2+2 BSIE option to West Lafayette and Indianapolis locations, multiple undergraduate courses need to have PIN added as a location for offering. In addition, in support of growth in graduate interdisciplinary programs, additional graduate courses need to have PIN added as a location for offering. This action is now submitted to the Engineering Faculty with a recommendation for approval.

CHANGE: Add PIN location to each of the following:

IE 23000: Probability and Statistics In Engineering I

From: PWL

To: PWL, PIN

IE 33000: Probability and Statistics In Engineering II

From: PWL

To: PWL, PIN

IE 34300: Engineering Economics

From: PWL

To: PWL, PIN

IE 49000: Special Topics In Industrial Engineering

From: PWL, PIU

To: PWL, PIN

IE 57700: Human Factors in Engineering

From: PWL, CEC

To: PWL, CEC, PIN

IE 59000: Topics in Industrial Engineering

From: PWL, CEC, PIU, PFW

To: PWL, CEC, PFW, PIN

RATIONALE:

Adding this set of courses to the Indianapolis location allows for proper administration of the 2+2 BSIE degree option, as well as support growth in MSIDE programs for which IE graduate courses are a key elective option.
