

Date: February 13, 2017

To: Michael Harris, Associate Dean of Engineering for Engagement and Undergraduate Education

From: John W. Sutherland, Professor and Fehsenfeld Family Head

Subject: Fast Track for EFD 68-17, curriculum change

With the upcoming implementation of ENGR 16200 we are requesting that either PHYS 17200 or ENGR 16200 be accepted. This class is taken in the second semester of the first year.

Please contact me if you have any questions.
