

**PURDUE**  
UNIVERSITY®

Environmental and  
Ecological Engineering

Memorandum

To: The Faculty of the College of Engineering

From: Environmental and Ecological Engineering

Date: December 3, 2024

Re: Fast track EFD 83-25

---

Courses: EEE 48001

Reason: We are requesting to change the course title for the above course to make it consistent with EEE 48002. The new title will be "Environmental And Ecological Engineering Senior Design I". The change being the addition of "I" to the end of the title.

A handwritten signature in black ink that reads "John W. Sutherland".

John W. Sutherland  
Professor and Fehsenfeld Family Head
