RE: MSPE 31700 Motorsports Practicum II – Change in course name

The Faculty of the School of Mechanical Engineering has approved the following change. This action is now submitted to the Engineering Faculty with a recommendation for approval.

From:

Title:

MSPE 31700 Motorsports Practicum II

To:

Title:

MSPE 31700 Motorsports Practicum I

Reason: In the pre-2018 plan of study MSPE 31700 was the second class in the practicum sequence of classes. The ABET audit of the MSPE program in 2016 required a plan of study update which eliminated the first class in the sequence. Therefore, this is a clerical update to reflect the sequence of practicum classes utilized in the 2018 plan of study and the 2024 plan of study.
