RE: MSPE 35000 Computer Aided Design and Manufacturing -- Change in Requisites

The Faculty of the School of Mechanical Engineering has approved the following change. This action is now submitted to the Engineering Faculty with a recommendation for approval.

From:

Prerequisites:

MSPE 29701 Computer Modeling for Motorsports

To:

Prerequisites:

MSPE 29701 Computer Modeling for Motorsports

Co-requisites:

ME 32300 Mechanics of Materials

Reason: Learning outcomes of MSPE 35000 utilize engineering principles taught in ME 32300 Mechanics of Materials. Adding ME 32300 Mechanics of Materials as a co-requisites supports the learning outcomes in the class while aiding the students in successfully meeting those outcomes.
