

# Evacuation and Shelter-In-Place Procedures

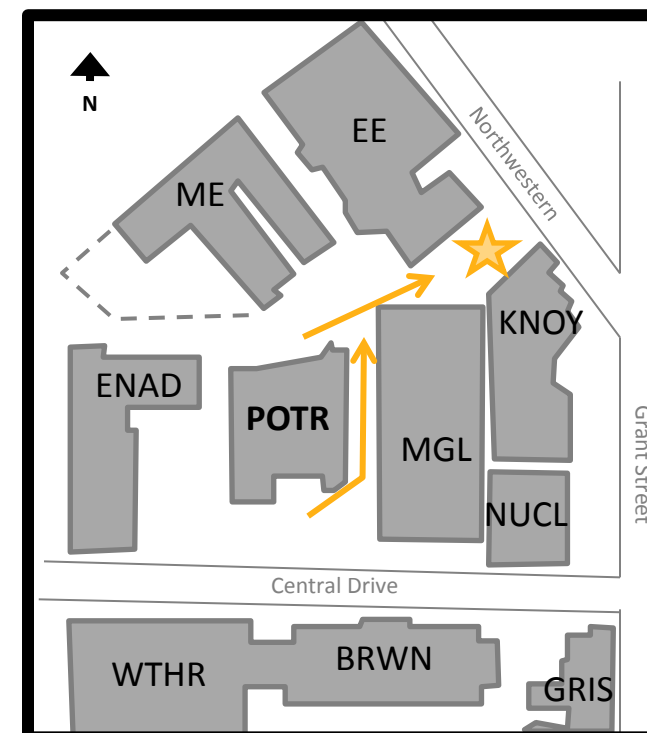

**In case of Fire:**

Calmly follow the solid gold path — to the nearest exit. Assemble 100ft from the NORTHEAST end of the building. (In case of inclement weather assemble in the KNOY lobby)

In case of fire, elevators will not operate.

**In case of Shelter-in-Place-Weather-Related Emergencies:**

Calmly follow the dotted teal path ■■■ to the nearest stairwell. Take it to the BASEMENT LEVEL and find a shelter location.

**Emergency Assembly Area**

**In case of Violence:**

If incident is occurring in your building, call 911.

If possible, seek shelter in a lockable or securable room, preferably without windows.
