

COLLEGE OF ENGINEERING

In case of inconsistencies between Senate Document 04-04 and the College of Engineering guidelines (or College/School/Department by laws, or other rules of governance) Senate Document 04-04 prevails

**Research Faculty Positions
Voting Privileges of Research Faculty**

- I. Research faculty shall not vote on curricular matters. As necessary, Departmental and College Bylaws or other rules of governance will be amended to include this restriction.
- II. All other voting privileges within the employing unit and the College shall be determined by the existing bylaws and rules of governance of the employing unit and the College.
