

To: The Engineering Faculty
From: The Department of Freshman Engineering and
The Freshman Engineering Curriculum Committee
Re: ENGR 194 - Change of Title, Course Description, and Frequency of Offering

The Department of Freshman Engineering has approved the changes in the course title, description, and frequency of offering for ENGR 194. Approval of the faculty in the Schools of Engineering is now requested.

FROM:
ENGR 194 **Women in Engineering Seminar** Sem. 1 and 2. Class 1, cr. 1.

Description: An in-depth view of the emerging role of women in engineering.

TO:
ENGR 194 **Women in Engineering Seminar and Peer Groups** Sem 1. Class 1, cr. 1

Description: An overview of the career opportunities for women in engineering. Speakers from a variety of engineering organizations discuss their career paths and share their strategies for success. Students also meet weekly in small groups led by engineering seniors for additional information, interaction, and support from their peers in engineering.
