

Proposal for Integrating Additional FAC Members

1. Brandon Sorge will appoint a departmental faculty from Indy as a non-voting member to serve for a 1.5-year term beginning January 2025.
2. An election will be held to appoint a voting FAC representative from the university faculty to serve a 3-year term. The university faculty is recognized as a division, and thus, according to our bylaws, a member can represent that CoE division by vote.
