Engineering Faculty Affairs Committee: *Members of the committee shall consist of one representative each from the voting members of the faculties of the schools, departments and divisions of engineering, plus the Dean of Engineering or the Dean's designated representative. Members representing the schools, departments and divisions shall be elected by ballot by the voting members of their respective faculties, except that Heads of engineering schools, departments and divisions shall be ineligible for membership. Each member shall normally serve for three years beginning with the start of the fall semester. No member shall serve continuously for more than six years.*

This committee shall:

- a) Advise the Dean on issues regarding faculty affairs.*
- b) Suggest and provide ways and means for effective communication among all members of the engineering academic community.*
- c) Obtain nominations for and supervise elections to engineering committees as required by these bylaws or by University Regulations.*
- d) Review appointments to engineering committees which require a vote for the election of the members.*
- e) Advise the Dean relative to the agenda of faculty meetings, matters relating to membership of various committees, and other matters affecting committee and faculty activities.*
- f) Serve in other capacities as requested by the Dean or the faculty.”*
