AffirmedRX

Purdue's Prescription Coverage

HEALTHY BOILER

PHYSICAL HEALTH

What is AffirmedRX?

- Purdue's Pharmacy Benefit Manager (PBM)
 - Prescription coverage for nonspecialty medications
- AffirmedRX provides more transparency for drug cost and empowers members with true choices in their pharmacy benefits
- Pharmacy benefits that are accessible, understandable, and affordable

2025 Prescription Plan Coverage

- Level 1
 - Low-cost brand and generics
 - Preventive generic and brand prescriptions 100% covered
- Level 2
 - High-cost generics and preferred brand
 - Preventive generic and brand prescriptions 100% covered
- Level 3
 - Higher cost, mostly brand drugs
 - Preventive generic and brand no deductible, co-insurance up to max
- Level 4
 - Highest cost, mostly high-cost brand drugs and specialty drugs
 - Preventive generic and brand no deductible, co-insurance up to max
- Non-preventive generic and brand applied to deductible then co-insurance up to max

Pharmacies

- Same pharmacy locations
 - CVS, Walgreens, Walmart, Meijer, and more
 - [List of Affirmed RX in-network pharmacies](#)
- Mail Order Options
 - Cost Plus Drugs
 - Amazon Pharmacy

Current Changes

- Preventive changes to non-preventive
 - Align the current formulary drug list with AffirmedRX and the Affordable Care Act
 - ACA preventive drug recommendations require some but not all preventive drugs to be covered at 100%
- Preventive drug list will update quarterly
 - 2025 May, July, October
 - 2026 quarterly starting with January 1st
- Members impacted will receive a letter from AffirmedRX 30 days prior to the change
- AffirmedRX Patient Care Advocates are available to assist with any transitions
 - pca@affirmedrx.com or 765-601-9971
