

Too much ~~to~~ red
tape and approvals
in purchasing
relatively low dollar
supplies and equipment
\$1,000 - 10,000

→ not much money,
no need for exhaustive
approvals

Why can't staff
view the 2180
Conference Room
Schedule?

Notify departments
when new faculty
are hired so we can
get the "behind the
scenes" details taken
care of before they get
here.

Are we preparing
our undergrads well
enough to work
with data, code,
and AI in evolving
ME industries?
