

\$5k for capital
equipment is
too low, raise
to \$10k or more?

Love our Purdue
grads but we
really can't hire
anymore for a
long time. Need more
intellectual diversity.

Really worried
about Indy-MT
We seem to be
floating in the dark
on all ends

Please stop talking about
IUPUI as though those
students are less. They are
students the same as West
Lafayette students. IUPUI
serves a different community
than the WL campus. ~~There~~
The IUPUI students are
not worth less because their
circumstances are different
