**Annual M-TRAC  
Technical Trainers Workshop**

**August 6-7, 2014**  
**New Mexico TTCP Training Facility**  
**6135 Edith, NE**  
**Albuquerque, New Mexico**

The New Mexico Department of Transportation and Associated Contractors of New Mexico's *Technician Training and Certification Program* (TTCP) are pleased to host this year's annual **M-TRAC Technical Trainers Workshop**, sponsored by FHWA.

The annual M-TRAC Technical Trainers Workshop has been an incredible source of information, cooperation and networking for a very unique group in the transportation industry with constant support and input from FHWA.

Please plan on a two-day workshop starting at 8:00 a.m. on Wednesday, August 6, and concluding at 4:00 p.m. on Thursday, August 7, 2014.

This year will be slightly different from previous years in that we will hold our workshop at the TTCP training facility. M-TRAC Workshop reservation and hotel information will be provided in the coming weeks.

If you have agenda suggestions or presentations to add to the normal workshop format, please feel free to send those items to Chris Anderson or Brian Legan.

For more information or agenda topics, please contact:
