The image shows a screenshot of the Iowa Department of Transportation (DOT) website. The header includes the URL 'https://iowadot.gov/#/services', a search bar, and links for 'Smarter and Simpler learning' and 'Iowa Department of Transp...'. The top navigation bar has links for 'File', 'Edit', 'View', 'Favorites', 'Tools', and 'Help', along with 'Employees', 'Training - Iowa Departme...', 'Suggested Sites', and 'Web Slice Gallery'. Below the header is a blue navigation bar with the 'iowa.gov' logo, 'Services', 'Agencies', and 'Social' links, and a search icon. The main content area features a dark background with a city skyline at night. The 'IOWA DEPARTMENT OF TRANSPORTATION' logo is prominently displayed in the center. Below it is the tagline 'SMARTER | SIMPLER | CUSTOMER DRIVEN'. The page is divided into three main sections: '24/7 ONLINE SERVICES' (orange box), 'TRAVEL' (blue box), and 'DRIVERS / VEHICLES' (green box). Each section contains a brief description and a call-to-action button ('PLAN AHEAD', 'GET IT NOW', 'TELL ME MORE'). On the left side, there is a vertical navigation bar with links for 'HOME', 'NEWS', 'CAREERS', and 'PERFORMANCE'. At the bottom, there is a footer with links for 'LOGIN', '© IOWA DOT', 'EMPLOYEES', 'POLICIES AND STATEMENTS', 'CAREERS', 'PLUG-INS', 'CONTACT', and social media links for Twitter, Facebook, Pinterest, YouTube, Instagram, Email, and RSS. The footer also includes a '100%' link.

Aggregate certifications

What are the changes? Basically, the Aggregate certifications were slightly restructured.

Aggregate Sampler = Level I Aggregate

Aggregate Technician = Level I Aggregate and Level II Aggregate combined.

You do not need Aggregate Sampler to take Aggregate Technician.

If you were **only** Level I Aggregate certified, you are now Aggregate Sampler certified.

If you were **both** Level I Aggregate and Level II Aggregate certified, you are now an Aggregate Technician.

I need to recertify in Level I Aggregate and Level II Aggregate this year, what do I do? You are now considered an Aggregate Technician. You would enroll in an Aggregate Technician recertification class. You do not need to enroll in an Aggregate Sampler recertification course.

I need to get certified as an Aggregate Technician, what do I do? You would enroll in an Aggregate Technician certification course. You do not need to take Aggregate Sampler before you take Aggregate Technician. All of the material covered in Aggregate Sampler is covered in Aggregate Technician.

1 / 1 130% Sign Find

Construction Industry Training Funds

These funds are offered to contractors, producers, and suppliers that provide materials or construction services on Iowa DOT projects. **Funding is limited this year, so enroll early for the best opportunity that CIT funds will be available.**

CIT funds may not be used by consultants or government agencies.

If you wish to use Construction Industry Training funds to pay for course registration fees, contact your employer for approval, then register. **Cancellation of any class must be done at least two working days prior to the class or the applicant will be billed the entire cost of the class.** Any contractor with outstanding CIT bills will not be allowed to use CIT funds until those bills are paid.

CIT funds **may not** be used if an individual must take a class for certification due to failure of a class previously attended. This would normally occur if an individual failed a recertification exam and then would be required to take the full class. The full class would not be covered by CIT funds. CIT funds **may not** be used if the certification will not expire the year the recertification is requested. An example would be someone who has an Aggregate I certification that expires in 2017 and tries to register this upcoming season. To use CIT funds this training season to recertify, your certification would need to expire in 2016.

Please call the Office of Civil Rights at 515-239-1422 if you have questions regarding the use of Construction Industry Training Funds. For questions about the Technical Training and Certification Program (TTCP), please call the Construction & Material's Training office at 515-239-1819 or 515-233-7915.

All classes will start at 9 A.M. the first day unless stated otherwise on the confirmation notice.

If you have a DMACC ID card, please bring it with you. Only individuals that already have a TTCP certification(s), or have been enrolled at DMACC in the past, will have a DMACC ID card.

Below is a list of supplies that are necessary for the certification courses:

- Pencils and paper
- Calculator** - No computers or programmable calculators are allowed. Prestress Technician class students need a scientific calculator that shows a MINIMUM of 10 digits.
- Safety glasses and steel toe shoes** will be required when working in the labs. The classes that will require safety apparel are HMA Sampler, Level I and II HMA, Level I PCC, Level II Aggregate, and Soils. Gloves will be provided. No one will be allowed in the laboratories without the required personal protective equipment. The TTCP classes will have a few extra glasses and steel toe attachments, but it is highly recommended that students bring/wear their own equipment.

No supplies are required for the PCC and HMA update classes.

Cell Phones are to be shut off or put on vibratory mode when entering the classroom. All cell phones will be shut off completely during examinations.

Weather related cancellations

If the weather conditions cause a class cancellation:

For all classes at DMACC - Boone: If DMACC cancels classes, the TTCP classes are also cancelled for that day. If DMACC classes are delayed, the TTCP classes will be delayed the same. The decision to cancel DMACC classes should be made by 6:00 am and a recording will be put out on the Boone campus telephone system at 515-432-7203 or 1-800-362-2127, press 3.

For all other classes: Call the contact person for the location that your class is being held. Contact information is available on the training site location pages. If a large weather event is forecasted and classes are cancelled for the following day, efforts will be made to contact you by telephone.

LEVEL II PORTLAND CEMENT CONCRETE (PCC)

This level of certification is for a PCC technician.

Topics covered include:

- Plants and equipment.
- Plant inspection.
- Batch proportioning.
- Scale tolerances.
- Documentation and reporting.

Prerequisites: Level I Portland Cement Concrete Aggregate Technician

Course Length: 4 days

Cost: \$480.00

Exam: Students must pass the exam with a minimum score of 80%.

To enroll: Go to <https://iowadot.gov/training/ttcp/registration>

Classes begin at 9 a.m.

PCC II and HMA I Updates

If you are **Level II PCC** and/or **Level I HMA** certified, you MUST complete two update classes in the five-year period between certification and each re-certification to be eligible to recertify. If we do not have a record of you taking two update classes, you will not be allowed to take the re-certification exam.

You will not receive credit for update classes taken in the year you earned the certification or in the year your certification expires.

You will receive credit for only one update taken each year. For example, if you take two update classes in the same training season, only one will be reflected on your record.

We strongly encourage attending update classes every year, if possible. Changes and important new, information are presented that could affect how you do your job!

Example

Certification earned in Spring 2018.
Certification then expires December 31, 2022

Updates must be taken in AT LEAST two of these four training seasons.

2018-2019	2020-2021
2019-2020	2021-2022

How can I get my update classes?

File Edit Go to Favorites Help

Certification earned in Spring 2018. Certification then expires December 31, 2022

Updates must be taken in AT LEAST two of these four training seasons.

2018-2019	2020-2021
2019-2020	2021-2022

How can I get my update classes?

Update classes are available in every district. Level II PCC updates are also available at the **ICPA Workshop**. Level I HMA updates are available at the **APAI Workshop**.

Updates via the web

Updates will be offered through web-based training. These will be available January 1 thru May 31. If an individual plans on taking the PCC II or HMA I update via the web, they will need to go to <https://iowadot.gov/training/web-based-training>.

The screenshot shows a web browser window for the Iowa DOT TTCP website. The URL in the address bar is <https://iowadot.gov/training/technical-training-and-certification-prog>. The page title is "Smarter and Simpler learning" and the tab title is "ttcp". The browser menu bar includes File, Edit, View, Favorites, Tools, and Help. The toolbar includes links for Employees, Training, Suggested Sites, and Web Slice Gallery. The top navigation bar for the iowa.gov website includes links for Services, Agencies, Social, and a search bar. The main navigation bar for the TTCP site includes links for HOME, ONLINE SERVICES, TRAVEL, DRIVERS / VEHICLES, BUSINESS, FORMS, and ABOUT. The main content area features a large image of a rural road and fields. The "TRAINING" section header is in orange. Below it is the "TECHNICAL TRAINING AND CERTIFICATION PROGRAM (TTCP)" section, which includes links for ENROLL IN A TRAINING COURSE, CANCEL ENROLLMENT FOR A TRAINING COURSE, and CONTACT. The CONTACT section includes an email link dot_ttcp@iowadot.us and names for Brian Squier (515-233-7915) and Emily Whaley (515-239-1819). The sidebar on the left lists various training categories: TRAINING HOME, TECHNICAL TRAINING AND CERTIFICATION PROGRAM, TTCP REGISTRATION BOOK, CERTIFIED TECHNICIANS, TTCP MANUALS, WEB-BASED TRAINING, OTHER RESOURCES AND TECHNOLOGY, CONTACT INFORMATION, and CANCELLATION AND REFUND POLICY. The footer includes links for LOGIN, © IOWA DOT EMPLOYEES, POLICIES AND STATEMENTS, CAREERS, PLUG-INS, CONTACT, and social media icons for Twitter, Facebook, Pinterest, YouTube, Instagram, Email, and RSS. The footer also includes a "100%" link.

The screenshot shows a desktop browser window displaying the Iowa DOT Technical Training and Certification Program (TTCP) website. The URL in the address bar is <https://iowadot.gov/training/technical-training-and-certification-prog>. The browser interface includes standard navigation buttons (back, forward, search, etc.) and a tab bar with multiple open tabs, including "Employees Iowa Departm...", "Training - Iowa Departm...", "Suggested Sites", and "Web Slice Gallery".

The main content area features a large banner image of a rural road and landscape. The header navigation bar includes links for "HOME", "ONLINE SERVICES", "TRAVEL", "DRIVERS / VEHICLES", "BUSINESS", "FORMS", "ABOUT", a search bar, and an "A-Z" link. The left sidebar, titled "IOWA DOT" with the tagline "SMARTER | SIMPLER | CUSTOMER DRIVEN", contains a list of links: "TRAINING HOME", "TECHNICAL TRAINING AND CERTIFICATION PROGRAM", "TTCP REGISTRATION BOOK", "CERTIFIED TECHNICIANS", "TTCP MANUALS", "WEB-BASED TRAINING", "OTHER RESOURCES AND TECHNOLOGY", "CONTACT INFORMATION", and "CANCELLATION AND REFUND POLICY".

The central content area is titled "TRAINING" and "TECHNICAL TRAINING AND CERTIFICATION PROGRAM (TTCP)". It includes buttons for "ENROLL IN A TRAINING COURSE" (green), "CANCEL ENROLLMENT FOR A TRAINING COURSE" (orange), and "FAQS" (orange). Below these are several links: "TTCP Registration Book", "Erosion Control Certification Information", "Certified Technicians", "TTCP Manuals", "Recertification Notice Letter (2017)", and "Aggregate Certification Changes".

The right sidebar features a "CONTACT" section with an email link "dot.ttcp@iowadot.us" and two contact names: "Brian Squier" (515-233-7915) and "Emily Whaley" (515-239-1819), each with an "at" symbol icon. The footer includes links for "LOGIN", "EMPLOYEES", "POLICIES AND STATEMENTS", "CAREERS", "PLUG-INS", "CONTACT", and social media icons for Twitter, Facebook, Pinterest, YouTube, Instagram, Email, and RSS. The footer also includes a "100%" scale bar.

NON-GOVERNMENT EMPLOYEE REGISTRATION INSTRUCTIONS USING CIT FUNDS

[Print instructions](#)

STEP #2 

Find...

The name, date, and time of the course you want to register for in the [registration book](#).

STEP #3 

Go to...

[IowaDOT U](#)

If you already have a username and password, go to Step 4.

To create a username and password, select "Register Here" at the bottom of the page.

Complete the registration information. Note the required information, indicated in red with an asterisk (*), and click "Save."

Be sure to remember the username and password you created. You will use this each time you log in to IowaDOT U.

LOGIN © IOWA DOT EMPLOYEES | POLICIES AND STATEMENTS | CAREERS | PLUG-INS | CONTACT  100%

STEP #4

Log in with the username and password you created.

The "My task" section will show all of the courses you are currently registered for.

STEP #5

[Register for a course...](#)

Click on the "Search" tab at the top of the page.

Find the course on the date and time you chose from the registration book, by selecting the month and year in the upper, right-hand corner.

Click on the course

- Select "CIT" in the "Payment Mode" box.
- Read and accept the cancellation/refund policy at the top of the screen.
- Click the "Enroll" button at the top right.

YOU'RE FINISHED!

You will receive an email confirmation notice for each class you enrolled in.

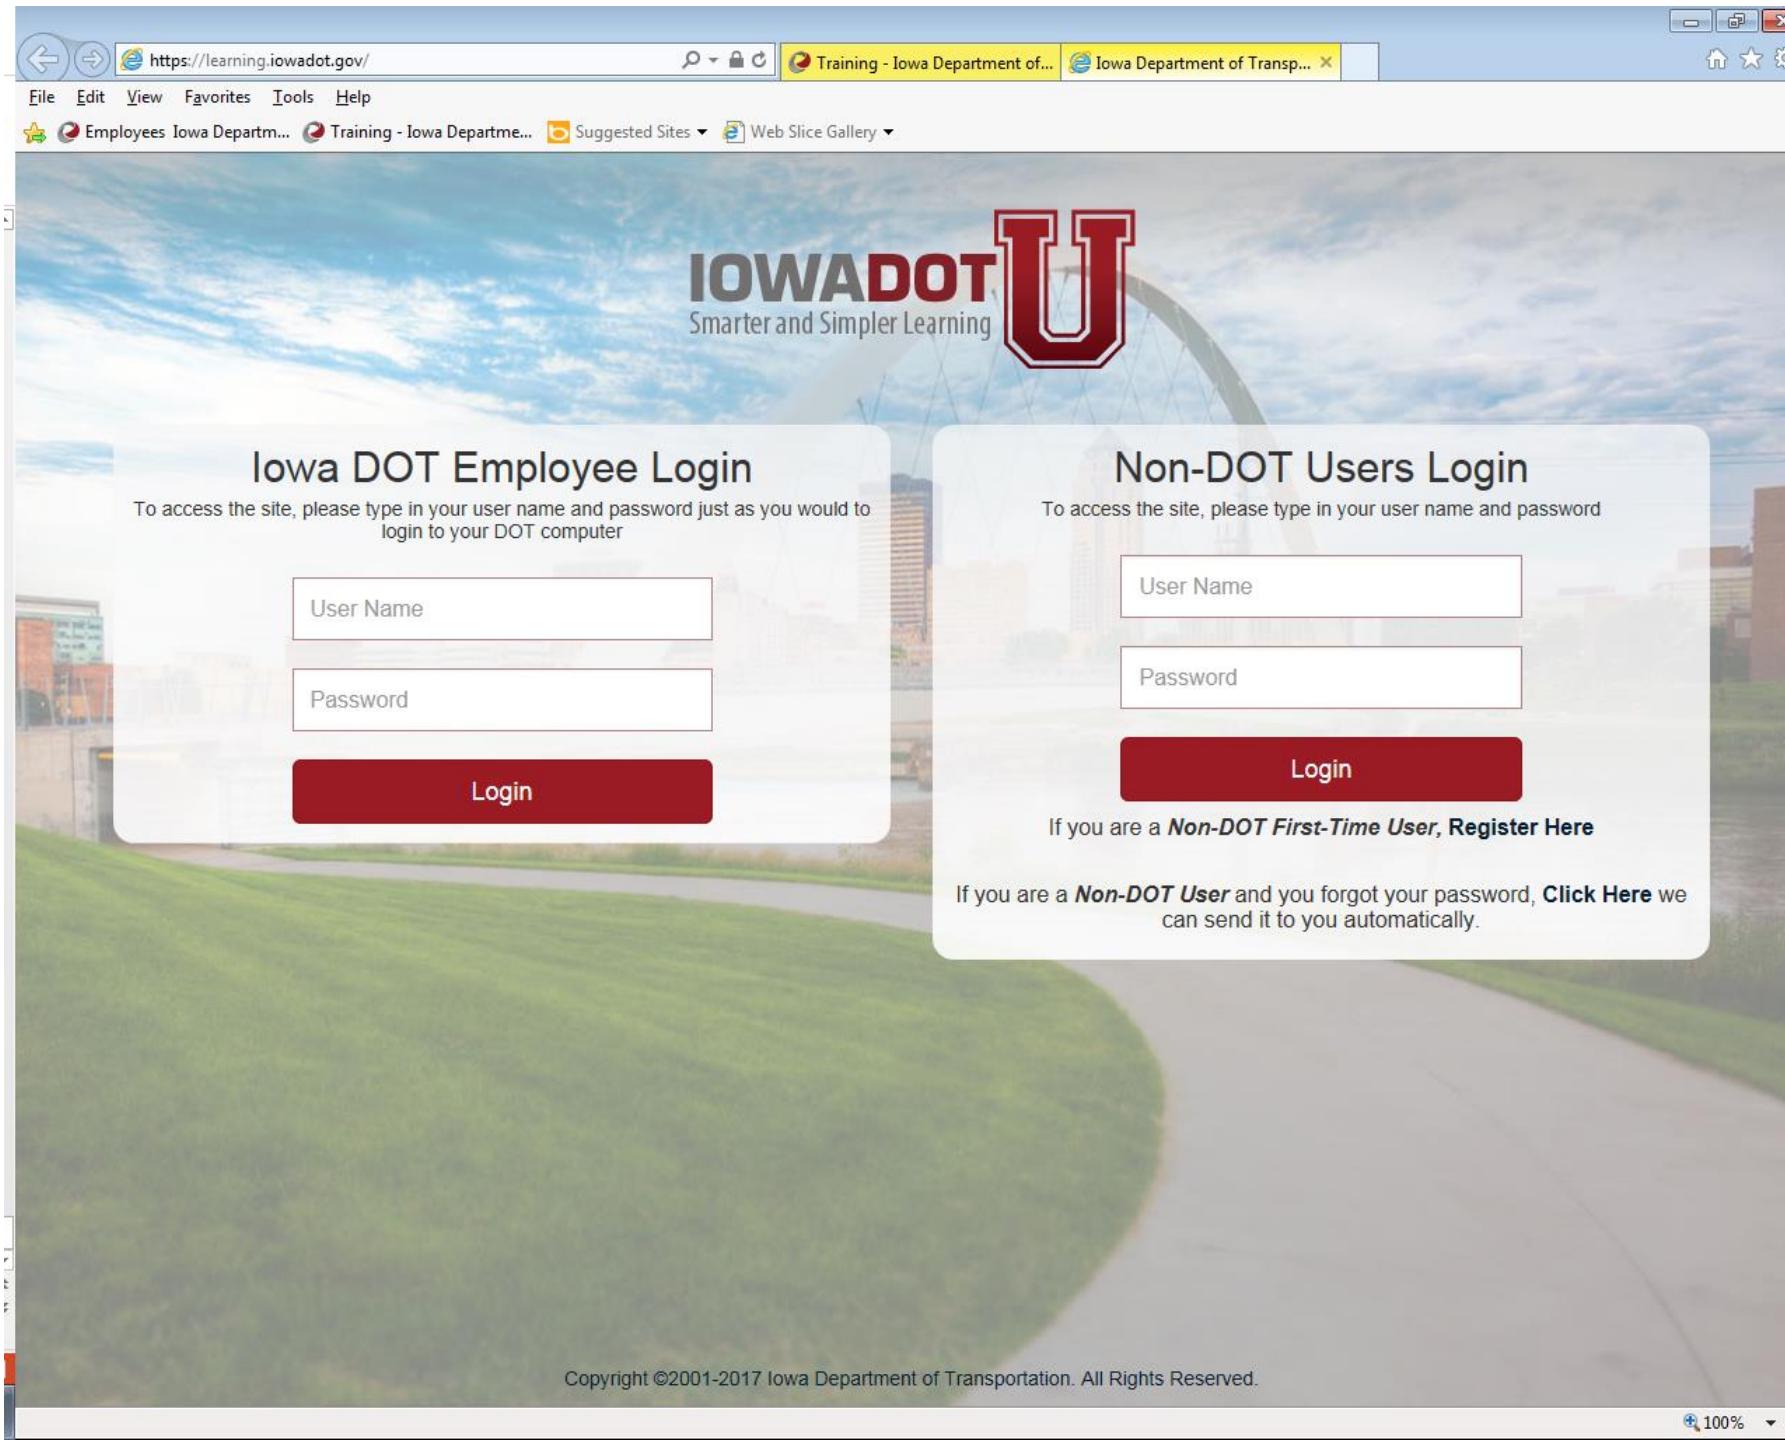

Cancellation and refund policy

Confirmation notices

- This is also your invoice. No other invoices will be sent out. This is stated in the very first two lines of the confirmation notice. All relevant information, including cost and where to send payment is on the confirmation notice.
- You will receive a confirmation notice for each day of the class. This is so the attachment can be added to electronic calendars. This cannot be altered. Simply delete the ones you don't want.

Why IOWADOT U?

- Can register for classroom training and take web-based training at a single site.
- Ability to access training and training records from any web-enabled device.
- Official training record for the IOWA DOT.

The image shows a screenshot of a web browser displaying the Iowa DOT Learning Portal. The URL in the address bar is <https://learning.iowadot.gov/>. The page features a large banner at the top with the text "IOWADOT U" and "Smarter and Simpler Learning" in red, set against a background of a bridge and a cloudy sky. Below the banner, there are two main login sections: "Iowa DOT Employee Login" on the left and "Non-DOT Users Login" on the right, both set against a background of a road and grass. Each login section contains a "User Name" input field, a "Password" input field, and a red "Login" button. Below the "Non-DOT Users Login" section is a link "If you are a *Non-DOT First-Time User*, [Register Here](#)". At the bottom of the page is a copyright notice: "Copyright ©2001-2017 Iowa Department of Transportation. All Rights Reserved." The browser interface includes standard navigation buttons (back, forward, search, etc.) and a menu bar with "File", "Edit", "View", "Favorites", "Tools", and "Help".

Registration FAQ's

- I'm a DOT employee...what do I do?
 - Log in using the same username and password you use to get on to your computer.
- I don't have an e-mail address for work
 - You can use any e-mail address, home or work.
 - You can use your training coordinator or supervisors e-mail address.
- I need to sign 6 people up for classes. Why can't I just sign them up under my username and password?
 - Each individual needs a unique account, as this is their official training record with the Iowa DOT. If they take training under your account, the record will show that you completed the training, not them. They will not get credit.

Registration FAQ's

- Can I use someone else's account to take my training?
 - You can, but that person is going to get credit for it. You will not get credit for it, because there is no record that you completed it.
- Do I have to bring all my people into the shop to sign-up? They are busy working!!!
 - If you have their information, a training coordinator can set up accounts for them and assign them usernames and passwords. Be sure to share the information with them!
- I can't remember my username and/or password.
 - If you forgot your username, contact dot.ttcp@iowadot.us .
 - If you forgot your password, you can reset it at the login page.
 - If you are a DOT employee and forgot your username and/or password, contact your IT person.

Registration FAQ's

- Can't you just sign me up? I'll tell you what classes I want.
 - No. I cannot.
 - You must select a payment method, apply for CIT funds if applicable.
 - I am happy to walk you through the process if the instructions are not adequate.
- The system won't let me in. Just brings me back to the log in screen.
 - This is usually due to an incorrect username and/or password being entered.
 - Make sure you are using the correct log in area (DOT versus non-DOT)
 - Make sure you are using the IOWADOT U username and password.
 - Username and passwords are case sensitive, make sure CAPS LOCK is not on.
 - Your username and/or password may have had a typo in them when entered. Reset your password and/or check with dot.ttcp@iowadot.us for username confirmation.

Registration FAQ's

- I didn't get a confirmation notice, or I reset my password and didn't get an e-mail.
 - Check your email address for accuracy.
 - Check your "spam" or "junk" folders. Notices are coming from idotu@learnsoft.com
 - Some companies have blocks in place. Check with your IT person.

The screenshot shows a web browser window for the Iowa DOT TTCP website. The URL in the address bar is <https://iowadot.gov/training/technical-training-and-certification-prog>. The page title is "Smarter and Simpler learning" and the tab title is "ttcp". The browser menu bar includes File, Edit, View, Favorites, Tools, and Help. The toolbar includes links for Employees, Training, Suggested Sites, and Web Slice Gallery. The top navigation bar for the iowa.gov website includes links for Services, Agencies, Social, and a search bar. The main content area features a large image of a rural road and fields. The left sidebar for the TTCP site includes links for TRAINING HOME, TECHNICAL TRAINING AND CERTIFICATION PROGRAM, TTCP REGISTRATION BOOK, CERTIFIED TECHNICIANS, TTCP MANUALS, WEB-BASED TRAINING, OTHER RESOURCES AND TECHNOLOGY, CONTACT INFORMATION, and CANCELLATION AND REFUND POLICY. The main content area has a large orange "TRAINING" header and a sub-header "TECHNICAL TRAINING AND CERTIFICATION PROGRAM (TTCP)". It contains buttons for "ENROLL IN A TRAINING COURSE", "CANCEL ENROLLMENT FOR A TRAINING COURSE", and "FAQS". A "CONTACT" section includes an email link "dot.ttcp@iowadot.us" and names/tel numbers for Brian Squier (515-233-7915) and Emily Whaley (515-239-1819). Below the contact section are links for "TTCP Registration Book", "Erosion Control Certification Information", "Certified Technicians", "TTCP Manuals", "Recertification Notice Letter (2017)", and "Aggregate Certification Changes". The footer includes links for LOGIN, © IOWA DOT, EMPLOYEES, POLICIES AND STATEMENTS, CAREERS, PLUG-INS, CONTACT, and social media icons for Twitter, Facebook, Pinterest, YouTube, Instagram, Email, and RSS. The footer also shows a 100% zoom level.

Go A-Z

TRAINING

CANCEL COURSE ENROLLMENT INSTRUCTIONS

STEP #1

Go to... [Iowa DOT U](#)

Log in with your user name and password.

The "My task" section will show all of the courses you are currently registered for.

STEP #2

Each course listed will have an "Unenroll" button to the right of the course name.

Click the "Unenroll" button for the course you will not be taking to cancel the enrollment.

A pop up box will appear asking "Are you sure you want to delete the learning object session?"

Click OK.

YOU'RE FINISHED!

You have cancelled your enrollment for that course.

Frequently Asked Questions (FAQ)

Enrolling in classes

How do I enroll in classes? Follow the step-by-step instructions at <https://iowadot.gov/training/technical-training-and-certification-program>. These instructions are also printable.

What if I can't remember my user name and/or password? Contact the TTCP administrators at dot.ttcp@iowadot.us or by telephone.

Brian Squier 515-233-7915 or Emily Whaley 515-239-1819.

They can look up your user name. They do not have access to your password. You can reset your password on the IOWADOT U sign-in page.

Please do not set up another account if you already have one!

I don't have an e-mail address for work, but the system requires an e-mail address. An e-mail address is required as this is how all notices are sent to you via the Learning Management system, including registration confirmation notices. You can use any e-mail address that you have access to, whether it be work or home. With their permission, you could also use your supervisors or training coordinators e-mail address.

I need to sign 6 people up for classes. Why can't I just sign them up under my user name and

File Edit Go to Favorites Help
Employees Iowa Departme... Training - Iowa Departme... Suggested Sites Web Slice Gallery

Where do I send payment? And to whom? Make checks payable to Iowa DOT and send to:

Iowa DOT
800 Lincoln Way
Ames, IA 50010
Attn: Brian Squier

Payment remittance information is also located at the bottom of your confirmation notice/invoice.

Aggregate certifications

What are the changes? Basically, the Aggregate certifications were slightly restructured.

Aggregate Sampler = Level I Aggregate
Aggregate Technician = Level I Aggregate and Level II Aggregate **combined**.

You do not need Aggregate Sampler to take Aggregate Technician.

If you were **only** Level I Aggregate certified, you are now Aggregate Sampler certified.

If you were **both** Level I Aggregate and Level II Aggregate certified, you are now an Aggregate Technician.

I need to recertify in Level I Aggregate and Level II Aggregate this year, what do I do? You are

QUESTIONS?
